I am sorry if we didn't get the info out to all of our folks that were potentially involved.

Yesterday we announced that we were rescheduling the 8/13 public meeting on Homestake and Grants Mining to be able to prioritize our response to the Gold Mine release.

Due to the ongoing emergency response related to the Gold King Mine incident involving numerous staff members in Region 6, Region 9 and the Navajo Nation, we would like to respectfully request that the joint TRONOX meeting scheduled for August 19 and 20 be postponed. Many of the key TRONOX players are very involved in the GKM response and would not be able to attend the meeting next week.
